LapDome Laptop Cases

\$24.95 - \$79.95
www.lapdome.com

You may be on your way camping or headed to the beach, but wherever you go you'll be able to take along your laptop or netbook thanks to LapDome Laptop Cases. These cases can pop open (like a mini-tent) to shade and protect a laptop computer outdoors, including fully padded models equipped with a choice of modular backpack or shoulder bag, a collapsible model for light home and recreational use, and a smaller LapDome Junior, which is perfect for portable DVD players and Netbooks. The cases also include built-in security features and concealment of the laptop screen from prying eyes.

Zetronix MP3/Bluetooth Sunglasses

www.zetronix.com

\$64.99 for 2GB

\$94.99 for 4GB

Whether you're roller skating, biking or hiking, these MP3/Bluetooth Sunglasses are the perfect solution for shading your eyes from the sun and listening to your favorite tunes at the same time. The lenses come with 11 polarized layers, blocking 100% of UVA, UVB and UVC rays so they are 100% safe for your eyes. At any time during your run or hike you have the ability to switch over from your tunes to a phone call (5 hours talk time) with just one push of a button. In addition to being noise canceling, they have a removable USB storage drive with built-in 2.0 connector, allowing for easy drag and drop of files with no cables required. The sunglasses are available in either 2GB or 4GB of memory. A protective case, A/C travel charger and USB cable are also included.

Palm Pre

\$199.99 (after \$100 mail-in rebate and new Sprint 2-year service contract)

www.palm.com

Sporting a 3.1-inch touchscreen and slide-out QWERTY keyboard, this cool new phone for summer features a smooth, rounded ergonomic design and is made to feel comfortable in your hand or pocket. This phone, based on the new Palm webOS mobile platform built from the ground up to be constantly connected to the Web, is ideal for phone calls, Web browsing, music, photos and videos and when open, it is optimized for e-mail and text messaging. It will also support a variety of different Sprint services, including Sprint TV. The Pre features a 3-megapixel camera with LED flash and extended depth of field, 8GB of internal storage, integrated GPS and MicroUSB connector with USB 2.0 Hi-Speed.
